

Weekly Column for March 27, 2008

For the second straight week, I sit here and say that it is that time of year again. Last week we discussed Earth Day, and this week, it will be street cleaning. The nine-week street cleaning program began this week, and will last into May.

As we embark on this aggressive street cleaning schedule each and every year in hopes of removing the mess that winter has left behind. In an effort to guarantee the streets are cleaned properly and efficiently, the cooperation of all neighborhoods is essential.

The following are helpful tips to abide by during the nine-week schedule:

- Become aware of when your area will be cleaned. Check the schedule it will appear in the Troy Record or check out the full nine-week schedule on the web at [www.troyny.gov](http://www.troyny.gov) Most importantly, make sure to move your cars so that the street sweeper and Department of Public Works staff can properly clean your street.
- Sweep or wash your sidewalks and rake your lawns before the sweepers come onto your street and, also sweep the dirt in the curbs and gutters into small piles to help facilitate easy pickup.
- This program is not for Bulk Trash pickup. Bulk trash pickup is a year-long program.\
- Uncooperative car owners will have their vehicles towed at the owner's expense (approx. \$120.00). All streets will be posted for "No Parking" as required. Please notify DPW **(270-4579)** in advance if you know of any abandoned, unregistered or inoperative vehicles.\
- Please take a few moments to clean your alley or back yard and cut down any weeds or brush. Please place the material in a biodegradable bag or bundle the brush to facilitate collection.
- Regular refuse collection will be done on a daily basis.

The schedule for the street cleaning is listed below. I want to thank everyone ahead of time for your cooperation. In the last few years, we have done an effective job at limiting the number of complaints regarding Spring Cleaning.

Thanks and have a great weekend.

Harry J Tutunjian  
Mayor of Troy
